

Emmerson Nogueira - Every Little Thing She Does is Magic

Tom: F

Though I've tried before to tell her
 Of the feelings I have for her in my heart
 Every time that I come near her
 I just lose my nerve
 As I've done from the start

(refrão)
 Every little thing she does is magic
 Everything she do just turns me on
 Even though my life before was tragic
 Now know my love for her goes on

Do I have to tell the story
 Of a thousand rainy days since we first met
 It's big enough umbrella
 But it's always me that ends up getting wet

(refrão)

I resolve to call her up a thousand times a day
 And ask her if she'll marry me in some old fashioned way
 But my silent fears have gripped me
 Long before I reach the phone
 Long before my tongue has tripped me
 Must I always be alone?
