

Emmerson Nogueira - Follow you follow me

Tom: G

G, Am, C, C

Intro:

Stay with me, my love I hope you'll always be
Right here by my side, if ever I needed you, oh my love
In your arms, I feel so safe and so secure
Every day is such a perfect day to spend, alone with
you

I will follow you if you follow me
All the days and nights that we know will be
I will stay with you if you stay with me

Just one single tear in each passing year

With the dark, oh I see so very clearly now

All my fears are drifting by me so slowly now, fading
away

I can say, the night is long but you are here

Close at hand I'm better for the smile you give, and
while I live

I will follow you if you follow me

All the days and nights that we know will be

I will stay with you if you stay with me

Just one single tear in each passing year

I will follow you if you follow me...
