

Emmerson Nogueira - Jesusland

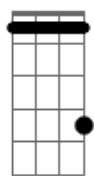

Tom: **Db**
Intro: **Bbm7** **Cm** x 4 then **Gb** **Db** **Ab**

Verse:
take a walk, out the gate you go and never stop
passed dollar stores and wig shops.
quarter in a cup for every block
and watch the buildings grow

smaller as you go
down the tracks
beautiful mc mansions on a hill
that overlook a highway
river boat casinos and you still
have yet to see your soul
