

Emmerson Nogueira - Long Train Running/Lady/Stain'alive

Tom: **C**

Without lo-o~ove, ooh, where would you be now?

Solo **PIANO**

Down around the corner, half a mile from here
 You see the Lost Train Running, and you watch them disappear

Without love, where would you be now?

Without lo~o~ove

BAIXO (**E D C E**)2X

Ya know I saw Miss Lucy down along the tracks
 She lost her home and her family and she won't be coming back
 Without love, where would you be now?
 Without lo~o~ove

Well, the Illinois Central and the Southern Central Freight
 You got to keep on pushin' mama, you know they're running late
 Without love, where would you be now?
 Without lo~o~ove

Solo **VIOLA**

Well the pistons keep on turnin' and the wheels go round and round
 And steel rails are cold and hard and the mountain ain't goin' down
 Without love, where would you be now?
