

Emmerson Nogueira - The Logical Song

Tom: **D**

Gbm
When i was young, it seemed life was so wonderful
E
a miracle, oh is was beautiful, magical.

E **D** **Gbm** **Eb**
And all birds in the trees, weel they'd be singing so happily,
joyfully, playfully watching me.

E **D** **Gbm** **Eb**
But then they sent me away to teach me how to be sensible,
logical, responsible, practical.

E **D** **Gbm** **Eb**
And they showed me a world where I could be so dependable,
clinical, intellectual, cynical.

E **D** **Gbm** **Eb**
There are times when all the world's asleep
the questions run too deep
for such a simple man

A
Won't you please, please tell me what we've learned
D
i know it sounds absurd
G D Em Em (2x)
but please tell me who i am

E **D** **Gbm** **Eb**
I say now watch what you or they'll be calling you a radical,
a liberal, a fanatical, criminal

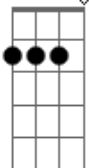

E **D** **Gbm** **Eb**
Won't you sign up your name; we'd like to feel you're
Acceptable, respectable, presentable, a vegetable!

E **D** **Gbm** **Eb**
But at night, when all the world's asleep,
the questions run too deep
for such a simple man

E **D** **Gbm** **Eb**
Won't you please, please tel me what we've learned
iknow it sounds absurd, but please tell me who i am
