

Empire Cast - Good Enough (Jussie Smollett)

Tom: Bb

I gave you all of me
 But it still ain't enough to make you happy
 I gave you everything
 It still don't measure up
 It feels like I walked 5 thousand miles
 And didn't even come close
 Feels like I try to make you smile
 But you don't even care, no
 I'll never be big enough to pay your dues
 But I keep trying
 And you just keep on making me jump through hoops
 What do I got to do?
 I just want you to look at me
 And see that I can be worth your love
 I just want you to look at me
 And see that I can be
 Good enough, good enough
 Good enough

[INSTRUMENTAL] Gm Bb F Eb x2

I try to show you that I'm strong
 Why do I even bother?
 Cause it's the same old damn song
 And you call yourself a father
 Feels like I'm reaching for the stars
 But heaven isn't letting me
 I wish that I had longer arms
 But I know that will never be never be
 I'll never be big enough to pay your dues
 But I keep trying
 And you just keep on making me jump through hoops
 What do I got to do?
 I just want you to look at me
 And see that I can be worth your love
 I just want you to look at me
 And see that I can be
 Good enough, good enough
 Good enough
