

Enrique Iglesias - Could I Have This Kiss Forever

ukulele-chords.com

```
Tom: C
  Am
                    Dm
Over and over I look in your eyes
You are all I desire
You have captured me
                      Dm
I want to hold you I want to be close to you
I never want to let go
I wish that this night would never end
             F7
I need to know
        Bbm
Could I hold you for a lifetime
        Ebm
Could I look into your eyes
        Ab
Could I have this night to share this night together
        Bbm
```

```
Could I hold you close beside me
         Ebm
Could I hold you for all time
                                  Rhm
                                         Ab Gb F
Could I could I have this kiss forever
Could I could I have this kiss forever, forever
Over and over I`ve dreamed of this night
Now you`re here by my side
You are next to me
I want to hold you and touch you and taste you
And make you want no one but me
I wish that this kiss could never end
Oh baby please
(refrão)
I don`t want any night to go by
Without you by my side
I just want all my days
Spent being next to you
Lived for just loving you
And baby, oh by the way
```
