Now I can't let it go
Am G C F
We break up to make up
You got me spinning like a yo yo yo Am G C F
But I know that you know

Am

There goes my baby whoaa Am G
Hey hey baby come back to me
I get so high when she go down down low

She work it nice and slow
We going round and round and back and forth \ensuremath{\mathsf{Am}} \ensuremath{\mathsf{G}} \ensuremath{\mathsf{C}}
Can't take it anymore
