LUDA..
Tonight I'm gonna do
Everything that I want with you
Everythin that you need
Everything that you want I wanna honey
I wanna stunt with you
From the window
To the wall
Gonna give you, my all
Winter and summertime
When I get you on the springs
Imma make you fall
You got that body
That make me wanna get on the boat
Just to see you dance

And I love the way you shake that ass
Turn around and let me see them pants
You stuck with me
I'm stuck with you
Lets find something to do
Please, excuse me,
I dont mean to be rude
