

## **Enrique Iglesias - Tonight (I'm Lovin' You)**

```
And I love the way you shake that ass
Intro: Cm Eb Bb Ab
                                                               Turn around and let me see them pants
                                                               You stuck with me
Verso 1:
                                                               I'm stuck with you
      Eb
                                                               Lets find something to do
I know you want me
                                                               Please, excuse me,
                                                               I dont mean to be rude
       Ab
I made it obvious that I want you too

So put it on me
                                                               But tonight I'm loving you
     Ab
Let's remove the space between me and you
                                                               Bb
                                                                       Ab
                                                               Oh Oh, you know
       Eb
Now rock your body (oooh)
