

Enrique Iglesias - Wish You Were Here (With Me)

```
Tom: Bb
   Gm
Funny how the years,
They just pass us by
Seems like yesterday,
You were in my life
You always wanted to start a family
I was way too young,
I was runnin' free
Refrão:
If you could only see me now,
You'd realise
                           Bb
                                    Eb
I'm not the boy who made you cry
You gave yourself,
I didn't see it
You died in me,
I should have saved you \ensuremath{\mathsf{F}}
Wish you were here with me
I thought i knew it all,
How stupid could i be
I think of what i had,
And it makes me weep
Refrão:
If you could only see me now,
```
