

Erasure - A Little Respect

Tom: C

I try to discover a little something to make me sweeter.
Oh baby refrain from breakin' my heart.

I'm so in love with you. I'll be forever blue
That you gimme no reason why you're making me work so hard
That you gimme no that you gimme no
that you gimme no that you gimme no

Soul, I hear you calling
Oh baby please, Give a little respect to ...me

And if I should falter would you open your arms out to me?
We can make love not war and live at peace with our hearts

I'm so in love with you (in love with you)
I'll be forever blue (forever blue)

What religion or reason could drive a man to forsake his lover
Don't you tell me no don't you tell me no
don't you tell me no don't you tell me no

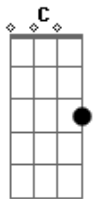

So, I hear you calling
Oh baby please, Give a little respect to ...me
(Bb G)

I'm so in love with you. I'll be forever blue
That you gimme no reason why you're making me work so hard
That you gimme no that you gimme no
that you gimme no that you gimme no

Soul, I hear you calling
Oh baby please, Give a little respect to ...me

I hear you calling Oh baby please, Give a little respect to ...me
