

Eric Clapton - All Our Past Time

Tom: G

G I don't want to be the one to say I'm sorry
 I don't want to be the one to take the blame
 I don't want to be the one to throw it over
 I don't want to be the one to feel ashamed
 I don't want to be the one who thinks of nothing
 I don't want to be the one to tell you what you have
 After all this time, when I thought that you were mine
 I just want to be the one to share this dream

Chorus:

All our past times should be forgotten
 All our past times should be erased
 I don't care how much it costs
 I don't count the loss
 As long as I can see your face again
 solo on verse and Chorus

You don't have to tell me when you're leaving
 If it's half past one, If it's maybe four
 Makes no difference where you think you're going
 Please remember not to slam the door
 Chorus
