Eric Clapton - Anyday

Tom: G

D D G Bb
Heard you talking and I thought I heard you say
D D G Bb
Yeah, "Please leave me alone
D D G Bb
Nothing in this world can make me stay
D D G Bb C G7 D
I'd rather go back, I'd rather go back home"

CHORUS:
G C G7 D G C G7 D
But if you believe in me
G C G7 D G C G7 D
Like I believe in you
G C G7 D G C G7 D

We could have a love so true
G C G7 D
We would go on endlessly
G C G C Am
And I know anyday, anyday, I will see you smile
G C G C Am D7
Any way, any way, (if) only for a little while

Well someday baby, I know you're gonna need me
When this whole world has got you down
I'll be right here, so woman call me
And I'll never ever let you down ...CHORUS

Break the glass and twist the knife into yourself
You've got to be a fool to understand
To bring your woman back home
After she's left you for another
You've got to be a, you've got to be a man ...CHORUS

Acordes
