

# Eric Clapton - Beautiful Thing

Tom: G  
Intro: G C G C G C G

G A  
I've told you once, now you should know  
A7 D  
The reason that I'm coming down.  
G A  
There ain't no time to repeat again;  
A7 D D  
Just need to bring it around.  
G C G C  
We had a beautiful thing going,  
G C G C  
You couldn't see things my way.  
G C G C

We had a beautiful thing going,  
G C G C  
Something just got in our way.

REPEAT CHORDS

And I told you once that it was rough.  
I looked on you as my friend,  
Because that did not seem to be good enough,  
And now it's time to begin.

We've got a beautiful thing going,  
I hope that's the way it will stay.  
We've got a beautiful thing going,  
Nothing can stand in our way.

## Acordes
