

Eric Clapton - Behind The Mask

Tom: **A**
Intro: **Db** , **A** , **B** , **Abm** (4 times)

Db **A**
All alone had to talk about it
B **Abm**
Like a two-edged sword, he touched you and he stabs me
Db **A**
All along I knew you were a phony girl.
B **Abm**
Sit behind the mask where you control your world.

Db **A**
Yesterday he had you in his arms
B **Abm**
When I'm holding you I feel his bitter charms
Db **A**
I can't judge what you do to me.
B **Abm**
Camouflage the truth, Indulge your fantasy.

Db **A**
Who do you love? Is it me now?
B **Abm**
Is it him babe? I don't know.
Db **A**
Who do you love? Is it me babe?
B **Abm**
Is it him now? I don't know.

A **B**
There is nothing in your eyes; that's the way you cry.
A **B**
All is grand, all is bright. You're just studying my mind.
A **B**
There is nothing in your eyes; that's the way you cry.
A **B** **Eb** **D**
All is grand, all is bright. You're just studying my mind.

Db **A**

Was I invited to your masquerade?
B **Abm**
Well the party's over so now take off your face
Db **A**
You say love but it's hard to see
B **Abm**
When you're in his arms throwing rocks at me.

Db **A**
Who do you love? Is it me now?
B **Abm**
Is it him babe? I don't know.
Db **A**
Who do you love? Is it me babe?
B **Abm**
Is it him now? I don't know.

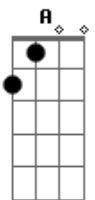

Solo over **A** and **B** (with the two others chords **Eb**, **D**) and the same chords as the intro.

Db **A**
I walk around stuck within my gloom
B **Abm**
When I come to you and sit in your room
Db **A**
Truth is new , I have not a trace
B **Abm**
Take off your mask so I can see your face.

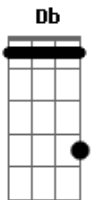

Db **A**
Who do you love? Is it me now?
B **Abm**
Is it him babe? I don't know.
Db **A**
Who do you love? Is it me babe?
B **Abm**
Is it him now? I don't know.

Outro: **Db** , **A** , **B** , **G#m**
