

Eric Clapton - Hello Old Friend

Tom: G It's really good to see you once again

Intro:

Organ Solo guitar work:

G As I was strolling C down the garden G park

G I saw a flower C glowing in the G dark

G It looked so pretty C and it was G unique
G I had to bend down C just to have G a peek

Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again
Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again

G Saw you walking C underneath the G stars
G Couldn't stop 'cause I was in a C car

G I'm sure the distance C wouldn't be too G far
G If I got out and walked to where you C are

Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again
Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again

G An old man passed me C on the street G today

G I thought I knew him C but I couldn't G say

G I stopped to think if I could place his C frame G
G When he tipped his hat I knew his C name

Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again
Bm Hello old friend (hello old Am friend)
C It's really good to see you D once G again
