```
                C           D7          G7        E        Am G    F today
            She took my hand and tried to make me un-der-
stand
                         D7          G         D G
            That she would always be there
                C           D7  G7              E         Am G  F
            But I looked away and she ran away from me
today
                   D7       G      Em Am
            I'm such a lonely man
                   Am            F            Fm7
                It came as no surprise to me
                   Am                    F   Fm7
                That she'd leave me in misery
                   Am          F        Fm7
                Seemed like only yesterday
                   Fm7        Fm      Fm7        Fm C     today
                She made a vow that she'd never go
away
                C           D7         G7        E        Am G    F
            She took my hand and tried to make me un-der-
```

```
                         D7          G         D G
            That she would always be there
C                 D7  G7              E         Am G F
But I looked away and she ran away from me

                   D7       G   Em Am
I'm such a lonely man
       Am            F            Fm7
       And if it seemed a sin
       Am            F            Fm7
       To love another man's woman
       Am          F   Fm7
       I guess I'll keep on sinnin'
       Fm7    Fm Fm7    Fm                 F
       Lovin her      till my very last day
