 It's in the way that you use it,
 E A Dbm B
 It comes and it goes.
 E A Dbm B
 It's in the way that you use it,
 E A Dbm B
 Boy don't you know.
 E A Dbm B
 And if you lie you will lose it,
 E A Dbm B
 Feelings will show.
 E A Dbm B
 So don't you ever abuse it,
 E A Dbm B
 Don't let it go.
 E A Dbm B
 Nobody's right till somebody's wrong.
 E A Dbm B
 Nobody's weak till somebody's strong.
 E A Dbm B
 No one gets lucky till luck comes along.
 E A Dbm B
 Nobody's lonely till somebody's gone.
 E A Dbm B
 It's in the way that you use it,
 E A Dbm B
 It comes and it goes.
 E A Dbm B
 It's in the way that you use it,
 E A Dbm B
 Boy don't you know.
