

Eric Clapton - No Alibis

Tom: D

Intro: D-A-G (5x's)

I beg your pardon, hello darlin, This is me your talking to.....

Sit down and tell me about it, you don't have to shout it at me,

tell what you really want to do.....

Don't give me no alibis, No untrue stories your trying to justify

A|--G (2x's)

Don't want no alibis, Just another reason for another lie

Mountain gets steeper, The hole you dig gets deeper,

you better stop and climb out.....

Cause I'm trying to give it all to you, Baby I can see right through you,

Sometimes you lose what it's all about.....

Don't give me no alibis, Can't go through life trying to justify

Don't want no alibis, Just another reason for another lie (2X)(Rhym0Fsong1X) A-Bm-G-D, G-D-A

Don't give me no alibis, No untrue stories your trying to justify

Don't want no alibis, Just another reason for another lie

Mountain gets steeper, The hole you dig gets deeper,

Better reach and pull yourself out, Nobody ever gonna love you

The way that I love you, And I never want to see you doing without

Don't give me no alibis, No untrue stories your trying to justify

Don't want no alibis, Just another reason for another lie
