Eric Clapton - Revolution

```
I'm gettin mad at you (Mad at you)
  chords:
                                                                               Gb
                                                             Just don't like the way you do
Intro: F#,A,Em,A,Em,A,E7
                                                             Don't know where you think you been
                 Gb
I told you once, I told you twice
                                                             But your goin to wind up back there again
You never listen to my advice
B# Good kind treatment, I'm threw with you
                                                              (Say you wanna, say you wanna)
A Em A E7
Won't get to heaven, I don't care what you do
                                                             Now you want a Revolution
                                                               C C7
                                                              (Want a revolution)
                Gb
                                                             Bm B
I seen you changin from day to day
Gb Gb
                                                              A revolution now
                                                              (Say you wanna, say you wanna)
Bm
B
Nothin never gets in your way
Don't feel nothin for no one else
                                                             Say you wanna a revolution
                                                              C C7
                                                              (Wanna revolution)
Take what you want, jus help yo self
                                                              Bm B
                                                             A revolution now
               C7
(Say you wanna, say you wanna)
Bm B
                                                              (Revolution, a Revolution now)
Now you want a Revolution C C7
                                                              (Time has come) and it won't be long
(Want a revolution)
                                                                             Gb
                                                              For you to see where you come from
A revolution now
                                                              (You can't go back) Can't go back, can't stay the same
(Say you wanna, say you wanna)
Say you wanna a revolution
                                                             No one but yourself to blame
C C7
(Wanna revolution)
A revolution now
                                                             (Say you wanna, say you wanna)
                                                             Now you want a Revolution
B#, Em, A, E7
                                                              C C7
                Gb
                                                              (Want a revolution)
(Told you once) I told you twice
                                                             Bm
                                                              A revolution now
(Ya never listen) To my advice
                                                              (Say you wanna, say you wanna)
Bm
B
                 Gb
(Now your out there) Your on your own
                                                              Say you wanna a revolution
Ain't got no friends, ain't got no home
                                                              C C7
                                                              (Wanna revolution)
(Getting mad)
                                                             Bm B
                                                             A revolution now
