It's three miles to the river that would carry me away,
and two miles to the dusty street that I saw you on today,
It's four miles to my lonely room where I'm gonna hide my
face,
and about half a mile to the downtown bar that I ran from in
disgrace

Lord how long have I got to keep on running?
Seven hours, seven days or seven years?
All I know is since you've been gone, feel like I'm drowning
in a river
Drowning in a river of tears
Drowning in a river
Feel like I'm drowning, drowning in a river

In three more days, I leave this town, and disappear without a
trace,
a year from now maybe settle down, where no one knows my face,
I wish that I could hold you one more time to ease the pain,
But my times run out and I got to go, got to run away again

Still I catch myself thinking one day I'll find my way back
here
And you'll save me from drowning,
Drowning in a river, drowning in a river of tears
Drowning in a river, Feels like I'm drowning,
Drowning in a river
Lord how long must this go on?

Drowning in a river, drowning in a river of tears.
