It's three miles to the river that would carry me away,
 and two miles to the dusty street that I saw you on today,
 It's four miles to my lonely room where I'm gonna hide my
 face,
 and about half a mile to the downtown bar that I ran from in
 disgrace

Lord how long have I got to keep on running?
 Seven hours, seven days or seven years?
 All I know is since you've been gone, feel like I'm drowning
 in a river
 Drowning in a river of tears
 Drowning in a river
 Feel like I'm drowning, drowning in a river

In three more days, I leave this town, and disappear without a
 trace,
 a year from now maybe settle down, where no one knows my face,
 I wish that I could hold you one more time to ease the pain,
 But my times run out and I got to go, got to run away again

Still I catch myself thinking one day I'll find my way back
 here
 And you'll save me from drowning,
 Drowning in a river, drowning in a river of tears
 Drowning in a river, Feels like I'm drowning,
 Drowning in a river
 Lord how long must this go on?

Drowning in a river, drowning in a river of tears.
