

# Eric Clapton - We Are All The Way

Tom: **D**

**D** There's no cause to think that I won't **G** stay

Haven't I've been with you all the **D** way?

**D** There's no time like now to make **G** amends

After all we are only **D** friends.

Chorus: **D** This could be the time for you and **G** me **D**

**D** We could go wherever we should be **D**

**A** So don't put words between us we shouldn't **D** say

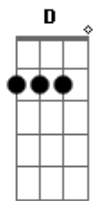

**A** And don't be acting halfway

**G** When you know we're all the way **D**

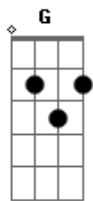

There are times when I don't see the light,  
And I don't know if what I do is right.  
But when I'm wrong it's never ment for you,  
So don't confuse my love with what I do.

Chorus
