

# Eric Donaldson - What You're Doing To Me

tom:  
C  
Your love is C  
So divine and want to you to be mine F  
G I am helpless without your care C  
C So I'm going to hold you tight  
F And squeeze you with all my might  
G Because I am head over heels in love with you C  
C Please let me take and taste  
F And to feel your warm embrace  
G Because you are the one I've been waiting for C  
C Remember, if you love me  
F Like I love only you  
G No knife will ever cut our love in two C

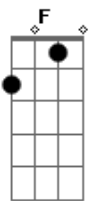

G F C  
Why can't you stay for just a little while  
G F C  
Mummy and daddy, they won't need us now  
G F C  
Look at how real it is this time my love  
G  
Why must you go  
F C  
When I need you company

F C  
You better watch what you're doing to me  
G C  
You better watch what you're doing to me  
F C  
You better watch what you're doing to me  
G C  
You better watch what you're doing to me
