

Erik Lenfair - American Pie

tom:

Bbm

Can't stop Bbm Db

Can't take my eyes off you Gb Ebm

Oh silly, don't talk Bbm Db

Just let me watch your moves Gb Ebm

The malice in your eyes Bbm

That's what I like Db

Baby just the thought of you it turns me on Gb Ebm

You're looking so fine Bbm

My my Db

Baby I could put you in a million songs Gb Ebm

This is so pop punk Bbm

When you give me that smile Db

Like you came straight out of American Pie Gb Ebm

I think you're so fun Bbm

And you like me so wild Db

You whispered "let's get naughty tonight" Gb Ebm

'Bout to go mad Bbm Db

When you hold me like that Gb Ebm

'Bout to go mad Bbm Db

Like I love you so bad Gb Ebm

Baby Bbm Db

I hear I've changed your mood Gb Ebm

So you can tell them Bbm Db

Gb Ebm

You fixed my attitude

You taste like milkshakes Bbm

Nicotine and romcoms Db

Think I've been missing you all of my life Gb Ebm

I call you crazy Bbm

Then you call me @boygonewrong Db

You whispered "let's get naughty tonight" Gb Ebm

Go mad Bbm Db

When you hold me like that Gb Ebm

'Bout to go mad Bbm Db

Like I love you so bad Gb Ebm

I don't mind spending my days Bbm Db

Thinking 'bout you Gb Ebm

'Cause you're my favorite thing to do Bbm Db

I've never seen anything like you Gb Ebm

'Bout to go mad Bbm Db

I'm about to go mad Gb Ebm

('Bout to go) Mad Bbm Db

Like I love you so bad Gb

So bad F7

Just take my hand Bbm

Let's hit the town Db

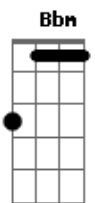

Before you this city felt like hell Gb Ebm

'Bout to go mad Bbm Db

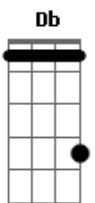

When you touch me like that Gb

Oh baby Ebm
