

# Ernani Luís - Sal e Luz

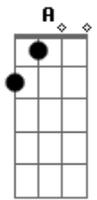

Tom: A

Nós somos o sal da terra  
 Nós somos a luz do mundo  
 Palavra e ação  
 Comunidade em transformação

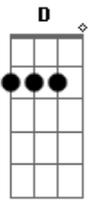

Mesmo que o sal for perder seu sabor  
 E a luz, o seu brilho e a cor  
 Ainda assim confiarei

0 mundo precisa da luz  
 A gente precisa do amor  
 Fonte da vida e justiça, Cristo, Jesus  
 Vamos unidos servir ao Senhor  
 Dar à vida um novo valor  
 De partilha e de esperança  
 0 mundo precisa de paz  
 Vamos espalhar esta luz  
 Fonte da vida e justiça Cristo, Jesus
