

Ernie Halter - Daddy's Little Girl

tom:

Intro: Fm D Fm D

I'll admit I was terrified

Till the moment I saw your eyes

I became a different man

When I held your tiny hand in mine

Those first words I heard you say

I remember like yesterday

Time is blowing in a breeze

And you're growing up right in front of me

Daddy's little girl

Precious little angel

Dancing in the living room and drawing on the table

Wearing mamma's pearls

Putting on her make-up

Even though, I know these moments won't last forever

To me, you'll always be

Daddy's little girl

Someday, you'll be dressed in white

All gracious with butterflies

But in my mind, I'll let you go

In my heart I hope you'll always stay

Please stay

Until then I'll cherish every kiss goodnight

Every door you slam

And every little fight

I will be there with you even when I'm gone

You Just listen to this song

Like nothing changed at all

You're still daddy's little girl

Precious little angel

Dancing in the living room and drawing on the table

Wearing mama's pearls

Putting on her make-up

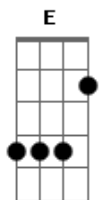

Even though, I know these moments won't last forever

To me, you'll always be

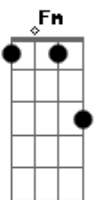

Yeah To me, you'll always be

Still Daddy's little girl
