Tom: **G**

Bbm **Ebm**
You may not be a movie star
Bbm **Ebm**
You may not drive a big fast car
Fm **Ebm**
But I love you in every way
Fm **Ebm**
Yes I love you in every way

Bbm **Ebm**
I don't know why, oh why

Bbm
The dress you wear
Ebm
May be too tight
Bbm
And folks may say
Ebm
That not look right
Fm **Ebm**
But I don't care about their views
Fm **Ebm**
I will keep on loving you

Bbm **Ebm**

Every day and every way

Bbm **Ebm**
You may not be a movie star
Bbm **Ebm**
You may not drive a big fast car
Fm **Ebm**
But I love you in every way
Fm **Ebm**
I love you in every way

Bbm **Ebm**
I don't know why, oh why

Bbm
The dress you wear
Ebm
May be too tight
Bbm
And folks may say
Ebm
That not look right
Fm **Ebm**
But I don't care about their views
Fm **Ebm**
I will keep on loving you

I don't know why, oh why
