

Espelho da Alma - Anjo Mudo

Tom: G

Intro: A7 Gbm Gbm Bm Bm7 E7 E7

A lua bela ali
 E de lá sua luz me faz
 Amante da esperança
 Me vejo em plena dança
 De um mundo em mim
 De paz e amor

Mas se caio na real
 Eu me perco num jardim
 De carpete ocidental

Flores de metal

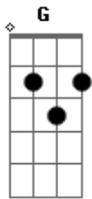

São dois mundos em mim
 A lutar por mim

Quero, como eu quero
 Poder tocar o céu
 Num raio de emoção

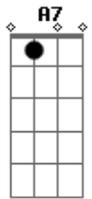

Quero, como eu quero
 Ser um anjo sem calar
 A voz do coração

Em mim, em nós
 Um anjo não pode calar
