

# Esteban - Overboard

Tom: C

Intro: C G F (2x)

Am What you gonna tell the world if the truth is on my side?

Am You're telling stories to a mirror in your mind

You don't have a place to hide

I've dropped myself into the sea

To kill this fire you've putted on me

I'm better than you think I am

(And it's my time to)

C Get out, fly back, return home as I know

C You'll come and I'll go

Passagem: Am G Em F

Are you gonna run to me

when you find out that it hurts?

F G Am

I just wish you don't waste your time

F G

Like all the times that I have wasted my way, my life, to help you through  
(But was my time to)

C Get out, fly back, return home as I know

C You'll come and I'll go

Am Now is the time you have to give up

To get things right

You won't take me down

As I see you know

Passagem: Dm G (2x)  
(Bb F ) (2x)

Bb A D  
I feel so sorry for you (6x)

(Bb F )

Bb

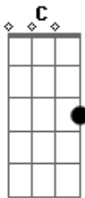

F

Now I can see what they can see: you want to stole what's mine

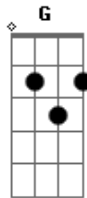

(Bb F )

La la la la...
