Pós intro

Verso

Lonely is the mountain

Feared by thousands of eras

To be carved in gold

Or to be the hearth of a dragon

Lonely is the mountain

High and far away from home

The dwarves' last resource

Lies in silence and asleep

[Riff Verso]

Lonely is the mountain  
A sovereign wind and stars

Twilight upon north

Darkens once more land and sea

Oh, lonely is the mountain

Not a tale, not a myth, not a legend

Standing harsh and still

Awaiting for the fallen king
