

Etham - Before I Lose My Mind

Tom: G

Look at the state I'm in
I couldn't say where I've been
Knowing that it ain't felt like home
When you drink in the days away
They all kind of feel the same
It's a truth that I had to face alone

I don't know what
I've been running from, running from
Or what I thought I would find

All I know is
You're the only one, only one
I need you tonight
Before I lose my mind
Before I lose my mind
Before I lose my mind
Before I lose my mind

Your face's stuck around my eyes
How have I been so blind?
Don't tell me that I'm too late this time
So much I couldn't see
With words that I didn't speak
Why do I have to do to make you mine?

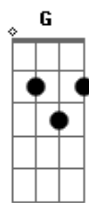

I don't know what
I've been running from, running from
Or what I thought I would find
All I know is
You're the only one, only one
I need you tonight
Before I lose my mind
Before I lose my mind
Before I lose my mind
Before I lose my mind

I don't know what
I've been running from, running from
Or what I thought I would find

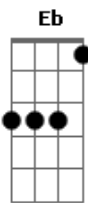

All I know is
You're the only one, only one
I need you tonight
Before I lose my mind
Before I lose my mind
Before I lose my mind
Before I lose my mind

I don't know what
I've been running from, running from
I need you tonight
