

Etham - Control

Tom: **G**

Just control yourself **G** **Em**
 I'll give you everything **Bm**
 All I got for you **C**
 I know I'm not only one with a fear **Em** **Bm** **C**
 It just feels like I've used all my tears on you **Em** **Bm** **C**
 And if you can't control yourself **Em** **Bm** **C**
 Then there's no point in using up my years
 And I know you've been feeling down **Em** **Bm** **C**
 But this hopeless
 'Cause I know **Bm** **C**
 I can't make you turn this around
 Just control yourself **G** **Em**
 I'll give you everything **Bm**
 All I got for you **C**
 Just control yourself **G** **Em**
 Don't just walk away **Bm**
 Just take the blame **C**
 'Cause your pain is killing me now **Cm**
 I feel all your hurt but that don't mean **Em** **Bm** **C**
 It won't get worse **Em**
 I hear all your thoughts, in my head **Bm** **C**
 You're the one thing that I can not live without **Em** **Bm**
C

No way, no **Em**
 Oh, I know there's nothing that **Bm**
 I wouldn't go through **C**
 There's no gun that could turn this around
 Just control yourself **G** **Em**
 I'll give you everything **Bm**
 All I got for you **C**
 Just control yourself **G** **Em**
 Don't just walk away **Bm**
 Just take the blame **C**
 'Cause your pain is killing me now **Cm**
 There's some things that I didn't do **Am**
 That made me hate myself **G** **Bm**
 There's so many lies in the truth **Am**
 From where we fell **G** **Bm**
 Just control yourself **G** **Em**
 I'll give you everything **Bm**
 All I got for you **C**
 Just control yourself **G** **Em**
 I'll give you everything **Bm**
 All I got for you **C**
 Just control yourself **G** **Em**
 Don't just walk away **Bm**
 Just take the blame **C**
 'Cause your pain is killing me now **Cm** **G**
