

# Ethan Bortnick - Arsonists

tom:  
Capostrate na 4ª casa

[Primeira Parte]

**D** **Gbm**  
Something about you already hurts  
**Em**  
Already know we will crash and burn  
**Bm**  
I know you've been holding back  
**D** **Gbm**  
You feel familiar in all of the worst ways  
**Em**  
You're double booked on Valentine's Day  
**Bm**  
I know you'll never want me back the same way

[Pré-Refrão]

**G**  
That I do  
**Em** **Bm** **A**  
That I do  
**G**  
I know you  
**Em** **Bm** **A**  
Better than you

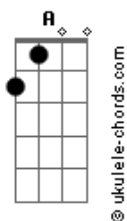

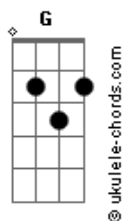

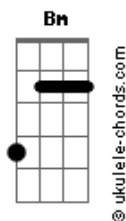

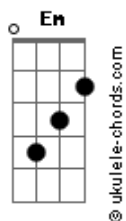

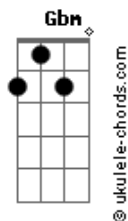

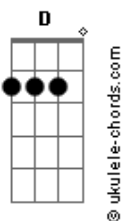

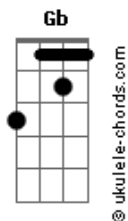

[Refrão]

**G** **Em**  
Here's to us being left in the dust  
**Bm** **A**  
And a cycle we can't break  
**G** **Em**  
Here's to us being left in the dust  
**Bm** **A**  
I just can't go back that way

**G** **Gbm**  
Oh, I'd kill to be an arsonist  
**Bm** **A**  
And burn bridges without shame  
**G**  
You flipped a coin  
**Em** **Bm** **A**  
I'm second choice

[Segunda Parte]

**D**  
You spilled  
Your guts on the counter  
**Gbm** **Em**  
While I cooked whatever you wanted, bitter déjà vu  
**Bm**  
Guess it didn't matter anyway

**D**  
Fuck this  
**Gbm**  
No one to blame but myself  
**Em**  
You're doing exactly what I would do  
**Bm**  
Everyone's a hypocrite

[Pré-Refrão]

**G**  
I know you
