E A2
 My honey's heart is blue and a second offbeat

E A2
 Always tugging at me like he's running out of daylight

E A2
 Yeah, my baby acts cool but they all know

Something ain't right, ain't right

E Dbm7 A2
 Only acting this cool when he's walking with me

E A2
 1998 Forever and a day

I keep the pictures hanging where the world can see 'em

E
 I hope I die today

A2 A2
 Save me from another late night of red eyes

E A2
 But then the morning comes

A2 E
 You were there looking for me but I

Dbm7 A2
 I was gone, turned my back for a moment and

A2
 You had fallen apart

[Segunda Parte]

E
 They've been promising the lights as we beg for our lives

A2 A2
 Selling pages of the times we've been waiting on

E
 Now the weight's too much

A2
 And I can't hold you anymore

E
 How much of a cruel year can you call my fault?

A2
 Not even the memories are immortal

E Dbm7
 Terrified on this side of a conversation

A2
 A conversation we'll never come back from

E A2
 I'll never live it down if I never get around it

A2
 Cause goddammit, I did it to myself in hindsight

E
 I liked him cause his rule was do whatever

A2
 You like and I tried alright

Now I'll wear these scars for life

E A2
 I loved you when it hurt inside to

E
 But in the low light

E Dbm7 A2
 You know I'd do anything for you

[Refrão]

E A2
 You know I'd do anything for you

E A2
 As you walked away from me (from me...)

You know it's true cause I've said it to you

E A2
 Held in my arms, I swore I'd be good to you

E Dbm7 A2
 Then sat and watched as you walked away from me

[Terceira Parte]

E
 Yeah, you've changed

A2
 But did I ever know you?

Or did I hold you

Dbm7
 Facing away from me

B
 The air in your room never moves

A2 B Dbm7
 Live and die by TV no one's watching

B A2
 Do you hate me?

B Dbm7 B
 When this is over

A2
 Maybe then we'll get some sleep

E A2
 I've been picking names for our children

Dbm7
 You've been wondering how you're gonna feed them

B A2
 Love is not enough in this world

B Dbm7 B A2 B
 But I still believe in Nebraska dreaming

Dbm7 B
 Cause I'd rather die

A2
 Than be anything but your girl

(E)

[Quarta Parte]

E
 I never meant to hurt you

A2
 But somehow, I knew I would

E
 Will it be like this forever? (forever?) forever? (forever?)

E
 I'd reach into your body

A2
 And fix you if I could

Dbm7
 Will I feel like this forever? (forever?) forever (forever?)

B
 Are you angry?

A2 B
 Do you hate me?

Dbm7 B
 Darling, time may forgive me

A2
 But I won't

(E)

[Refrão]

E A2 E
 You know I'd do anything for you

A2 Dbm7
 You know it's true, 'cause I've said it to you

B A2 B
 Held in my arms, I swore I'd be good to you

Dbm7
 (Be good to you, be good to you...)

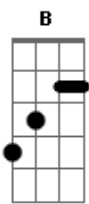

B
 Then sat and watched

A2
 As you walked away from me (from me...)

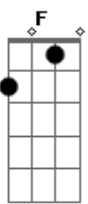

So I bled til I cried, til I felt I might die
 To be known the way you should
 Is to put yourself through hell
 Still I waited and tried, til it killed me

Cause you're right
 I can wait if I want
 But it'll never be good enough like I
 Want to believe it is (it is, it is...)
