Yeah, my baby acts cool but they all know
Something ain't right, ain't right

Only acting this cool when he's walking with me

1998 Forever and a day

A2
I keep the pictures hanging where the world can see 'em

E
I hope I die today

A2 A2
Save me from another late night of red eyes

E A2
But then the morning comes

A2 E
You were there looking for me but I

Dbm A2
I was gone, turned my back for a moment and

A2
You had fallen apart

[Segunda Parte]

E
They've been promising the lights as we beg for our lives

A2 A2
Selling pages of the times we've been waiting on

E
Now the weight's too much

A2
And I can't hold you anymore

E
How much of a cruel year can you call my fault?

A2
Not even the memories are immortal

E Dbm
Terrified on this side of a conversation

A2
A conversation we'll never come back from

E A2
I'll never live it down if I never get around it

A2
Cause goddammit, I did it to myself in hindsight

E
I liked him cause his rule was do whatever

A2
You like and I tried alright

Now I'll wear these scars for life

E A2
I loved you when it hurt inside to

E
But in the low light

E Dbm A2
You know I'd do anything for you

[Refrão]

E A2
You know I'd do anything for you

E A2
You know I'd do anything for you

You know it's true cause I've said it to you

E A2
Held in my arms, I swore I'd be good to you

E Dbm A2
Then sat and watched as you walked away from me

[Terceira Parte]

E
Yeah, you've changed

A2
But did I ever know you?

Or did I hold you

Dbm
Facing away from me

B
The air in your room never moves

A2 B Dbm
Live and die by TV no one's watching

B A2
Do you hate me?

B Dbm B
When this is over

A2
Maybe then we'll get some sleep

E A2
I've been picking names for our children

Dbm
You've been wondering how you're gonna feed them

B A2
Love is not enough in this world

B Dbm B A2 B
But I still believe in Nebraska dreaming

Dbm B
Cause I'd rather die

A2
Than be anything but your girl

(E)

[Quarta Parte]

E
I never meant to hurt you

A2
But somehow, I knew I would

E
Will it be like this forever? (forever?) forever? (forever?)

E
I'd reach into your body

A2
And fix you if I could

Dbm
Will I feel like this forever? (forever?) forever (forever?)

B
Are you angry?

A2 B
Do you hate me?

Dbm B
Darling, time may forgive me

A2
But I won't

(E)

[Refrão]

E A2 E
You know I'd do anything for you

A2 Dbm
You know it's true, 'cause I've said it to you

B A2 B
Held in my arms, I swore I'd be good to you

Dbm
(Be good to you, be good to you...)

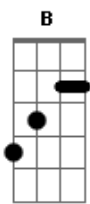

B
Then sat and watched

A2
As you walked away from me (from me...)

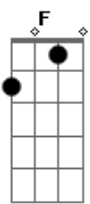

So I bled til I cried, til I felt I might die
 To be known the way you should
 Is to put yourself through hell
 Still I waited and tried, til it killed me

Cause you're right
 I can wait if I want
 But it'll never be good enough like I
 Want to believe it is (it is, it is...)
