

Etta James - I'd Rather Go Blind

Tom: D

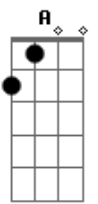

^A
 Something told me it was over
^A
 when I saw you and her talking,
^{Bm}
 Something deep down in my soul said, 'Cry Girl',
^A
 when I saw you and that girl, walking out.
^{Bm}
 I would rather, I would rather go blind boy,
^A
 Than to see you, walk away from me child, and all.
 Ooooo So you see, I love you so much
^{Bm}
 That I don't want to watch you leave me baby,

^A
 Most of all, I just don't, I just don't want to be free no
^{Bm}
 I was just, I was just, I was just sitting here thinking
^A
 Of your kisses and your warm embrace, yeah,
^{Bm}
 When the reflection in the glass that I held to my lips now
 baby,
^A
 Revealed the tears that was on my face, yeah.
^{Bm}
 And baby, baby, I would rather be blind boy
^A
 Than to see you walk away, see you walk away from me, yeah
^{Bm}
 Baby, baby, baby, I'd rather be blind now
