

Euri Meira - Céu e Terra

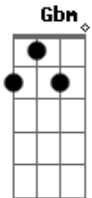

tom:
 Intro: Gbm A7 D Db7
 Quando a noite acaba
 A madrugada vem
 E sono fica para depois
 Agora, andando e sempre
 Quando o amor está ausente
 E o infinito é tão distante
 Nunca, desistirei nunca
 Dessa esperança louca
 E que me rasga a roupa
 Tudo que essa luz emana

Me conduz e chama
 Para ver o sol nascer
 Lá onde o céu encontra a terra
 Lá onde a vida começa a brotar
 E águas vão regar
 Oh vida! vem regar a flor
 Oh vida! vem regar o amor
 Oh vida! vem regar a flor
 Oh vida! vem regar o amor
 Oh vida! vem regar a própria vida de amor
