 Intro: **Gbm** **A7** **B7**
Gbm
 Hey, what's going on
A7 **Gbm**
 In my life these days
Gbm
 I better choose
A7 **Gbm**
 What not to do, what not to say
Gbm
 It feels like a bullet train
A7 **Gbm**
 It goes fast; it's insane
Gbm
 Listen to your heart
A7 **Gbm**
 Maybe he knows how to become apart
Gbm
 Hey summer is here
A7 **Gbm**
 The day is hot, and I am awake
Gbm
 To see all the good things
A7 **Gbm**
 And the bad things that stay on the way
Gbm

But I am not alone
A7 **Gbm**
 The whole world is part of it too
Gbm
 I tell you there is no rush
A7 **Gbm**
 To get what you want
Gbm **Bm7**
 What you want is real
Db7 **Gbm7**
 That's how it feels
A7 **D7M**
 In the battle of love
Abm7 **Db7** **Gbm**
 To get more
Gbm **Bm7**
 When is never enough
Db7 **Gbm**
 But everything has a cost
A7 **D7M**
 To keep on going
Abm7 **Db7** **Gbm7**
 When is so tough
A7 **Bm7** **Db7** **Gbm**
 Hey, you better get enough
A7 **Bm7** **Db7** **Gbm7**
 Hey, let's get more
