tom:  
**Gbm**  
 Intro: **Gbm** **A7** **B7**  
**Gbm**  
 Hey, what's going on  
**A7** **Gbm**  
 In my life these days  
**Gbm**  
 I better choose  
**A7** **Gbm**  
 What not to do, what not to say  
**Gbm**  
 It feels like a bullet train  
**A7** **Gbm**  
 It goes fast; it's insane  
**Gbm**  
 Listen to your heart  
**A7** **Gbm**  
 Maybe he knows how to become apart  
**Gbm**  
 Hey summer is here  
**A7** **Gbm**  
 The day is hot, and I am awake  
**Gbm**  
 To see all the good things  
**A7** **Gbm**  
 And the bad things that stay on the way  
**Gbm**

But I am not alone  
**A7** **Gbm**  
 The whole world is part of it too  
**Gbm**  
 I tell you there is no rush  
**A7** **Gbm**  
 To get what you want  
**Gbm** **Bm**  
 What you want is real  
**Db7** **Gbm**  
 That's how it feels  
**A7** **D**  
 In the battle of love  
**Abm** **Db7** **Gbm**  
 To get more  
**Gbm** **Bm**  
 When is never enough  
**Db7** **Gbm**  
 But everything has a cost  
**A7** **D**  
 To keep on going  
**Abm** **Db7** **Gbm**  
 When is so tough  
**A7** **Bm** **Db7** **Gbm**  
 Hey, you better get enough  
**A7** **Bm** **Db7** **Gbm**  
 Hey, let's get more
