

Europe - Farewell

Tom: **C**

Em Gm A
There was a time when I was satisfied
C Gm A
There was a time when everything felt right
Em Gm A
But now' the time for me to decide
C Gm A
and I've only got one solution in sight

Don't know where I'm going
but I know it feels right
And though my feelings are showing

I'm not afraid, it's alright

A Cm A
So long, farewell
A Cm Dm C G A
I've got to go
A Cm A
Be strong, be well
A Cm Dm C G A
I want you to know

that maybe we'll meet someday

Should I stay or should I go
It was not easy to decide
But you told me I already knew
I guess you wondered why I lied
