abaixo temos um solo longo em que o Kee Marcelo faz um " tour "

pelos corredores do clipe. Vem depois do segundo refrão. Legal,mas meio difícil de fazer quando ele acelera. Tem uma parte dele que usa o vigésimo quinto traste da guitarra, mas adaptei pras que tem 22 ou menos,como certas stratocasters

Agora a cifra e onde entra cada tablatura:

Keep on walking that road and I'll follow

Keep on calling my name I'll be there

And if a mirror should break it's easy to take  
Cause deep down I know that you care

I'm not superstitious

riff 1

riff 2  
I'm not superstitious, I have no doubt

That there's a reason, how things turn out

riff 2  
While things are changin' from day to day

I'll keep this feelin' with me all the way

Ponte:

And I want you to know

That you're on my mind

Every day, all of the time

refrão:

So keep on walkin' that road and I'll follow  
Keep on callin' my name I'll be there  
And if a mirror should break it's easy to take  
Cause deep down I know that you care

I'm not superstitious

riff 1

riff 2  
There might be times of wonder

When I'm on my own

Tryin' to find out if love has gone

riff 2  
It might make a difference

It might bring me down

But no superstition is gonna turn things around

ponte refrão

solo

So keep on walkin'

and we'll make things right

So keep on dreaming

each and every night

We're gonna make it, that's what we'll do

Right to the end girl, we're gonna walk on through

refrão

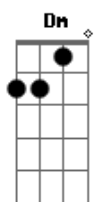

riff 1

I'm not superstitious
