

# Eurythmics - Love Is a Stranger

Tom: **C**

**C**  
Love is a stranger in an open car

To tempt you in and drive you far away **F**

Love is a stranger in an open car

To tempt you in and drive you far away **F**

**F**  
**C**  
And I want you, and I want you, and I want you so it's an obsession

**F**  
**C**  
And I want you, and I want you, and I want you so it's an obsession

Love is a danger of a different kind  
To take you away and leave you far behind  
And love, love, love is a dangerous drug  
You have to receive it and you still can't get enough of the stuff

**F**  
It's savage and it's cruel and it shines like destruction  
Comes in like the flood and it seems like religion

It's noble and it's brutal, it distorts and deranges

And it drenches you up and you're left like a zombie **C**

**F**  
**C**  
And I want you, and I want you, and I want you so it's an obsession

**F**  
It's guilt edged, glamorous and sleek by design  
You know it's jealous by nature, false and unkind

**C**  
It's hard and restrained and it's totally cool

) ( **F** **C**

It touches and it teases as you stumble in the debris

**F**  
**C**  
And I want you, and I want you, and I want you so it's an obsession  
And I want you, and I want you, and I want you so it's an obsession  
And I want you, and I want you, and I want you so it's an obsession  
And I want you, and I want you, and I want you so it's an obsession
