

Evaldo Alves - Todos voces

tom:

Intro: G Am G

Estou guardando todo meu amor

Pra quando isso acabar

Espero sobrevir

Pois a saudade

Quer me matar

Espero encontrar todos bem

A falta de vocês

Está difícil de aguentar

Tenho um presente

Pra lhes dar

Um abraço apertado emocionado em

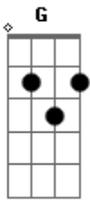

Todos vocês

Todos vocês

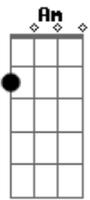

Todos vocês

[Solo] Em Dadd9 Am C
Em Dadd9 Am F
