Oh oh oo Oh Oh oo... (3x)  
We had the best years of our lives  
But you and I would never be the same  
September took me by surprise  
And I was left to watch the seasons change

Oh oh oo Oh Oh oo... (3x)  
It's been so quiet since you're gone  
And everyday feels more like a year  
Sometimes I wish I could move on  
The memories would all just disappear

D G  
I'd never thought this could ever end Bm  
I'd never thought I'd lose my bestfriend  
Everything is different now  
G  
Can we stop the world from turning?  
D G  
I've never thought I'd have to let you go Bm  
I've never thought I'd ever feel this low  
I wish I could go back G  
And we'd stop the world from turning

Oh oh oo Oh Oh oo  
Looking back on better days  
When we were young, we thought we knew so much  
And now it seems so far away  
I'm wondering if I was good enough
