

Evanescence - Catherine

Tom: F

Dm **C** **Dm** **C**
I know a secret something still belongs to me
Dm **C**
I'm not afraid of those who killed their bodies
Dm **C**
For still they cannot? kill kill their soul

Bb **C**
You may beat me down
F **C** **Dm**
Just denying the truth
Dm **Bb** **C** **Dm**
But you can't kill the me in you

Dm **C**
Dreams are illusions
Dm **C**
They fade away before we can catch them
Dm **C**
Promises that may be broken, dreams we'll forget
Dm **C**
But what birthed in you cannot die

Bb **C**
You may beat me down
F **C** **Dm**
Just denying the truth
Dm **Bb** **C** **Dm**
But you can't kill the me in you
