

Evanescence - Lies(remix)

Tom: **C**

D
Bind, my limbs with fear (fear)
Choke me with tears (tears)
I won't die for you
You've, been here before (before)
And come back for more (more)
But not this time

D
You'll never be strong enough
You'll never be good enough
You've never conceived in love
You will not rise above

Chorus:

D **C**
Somebody tell me what made us all believe you

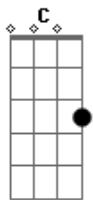

F **G** **Bb**
I should have known all along it was all a lie
(Should have known it was all a lie)

D
Now, I know the truth (truth)
I'm through fearing you (you)
And I am free

D
You'll never be strong enough
You'll never be good enough
You've never conceived in love
You will not rise above

:Chorus:
(Chanting)
:Chorus x2:
