

Evanescence - My Heart Is Broken

```
Tom: Gb
                                                                           Abm
                                                                                                                                   Fb
 I will wander till the end of time % \left( 1\right) =\left( 1\right) \left( 1
                Db
  torn away from you
                                                                                                                      Fb
                                                                                                                                                                                                                                                                                            (Db )
 I close my eyes and drift away
Abm (Gb )
 over the fear
           B Abm Eb
                                                                                                                                              (Gb )
        that I will never find
            B Abm Eb (Gb)
 a way to heal my soul
           B Abm Eb
  and I will wander till the end of time
                             Db
  torn away from you
 Eb B Gb Db
            b B GB ZZ
My heart is broken Gb Db
 Eb B
              sweet sleep, my dark angel
                             Ebm
              deliver us from sorrow's hold
                                             B Eb
                (over my heart, heart)
 Eb B Eb
                                                                                                                                                                                                                                                                                           (Db )
I can't go on living this way

Eb B Eb Abm

But I can't go back the way I came
                                                             (Gb)
  chained to this
                                                                                                                                Eb
           B Abm
  fear that I will never find
```

```
B Abm
a way to heal my soul
B Abm Eb
and I will wander till the end of time
 Db
half alive without you
        Gb Db
 My heart is broken
Eb B
 sweet sleep, my dark angel
  Ebm
 deliver us
                Bb
  Ebm
Open your eyes to the light
I denied it all so long, oh so long
  Eb
Say goodbye
    B Db
Goodbye
Eb B Gb Db
My heart is broken
Eb B Gb Db
Release me, I can't hold on
 Ebm
Deliver us
Eb B Gb Db
My heart is broken
Eb B Gb Db
sweet sleep, my dark angel
     Ebm
 deliver us from sorrow's hold
```
