Tom: C
  Dm Am
Dm Am
                   Am
                            Em G
                                    Dm Am
   (You know you're not the only one)
When they all come crashing down- midflight
                           Em G Dm Am
  You know you're not the only one
      Am
When they're so alone they find a back door out of life
                   Am
                          Em G Dm Am
  You know you're not the only one
    Em
               Am
We're all grieving Lost and bleeding
           \mathsf{Am}
                        G
            All our lives we've been waiting
           Em
                        \mathsf{Am}
For someone to call our leader
                     G
          Am
              All your lies I'm not believing
                      Em
```

```
Heaven shine a light down on me
So afraid to open your eyes- hypnotized
You know you're not the only one
Never understood this life
And you're right I don't deserve but you know I'm not the only
Don't look down
Don't look into the eyes of the world beneath you
Don't look down, you'll fall down,
               Em
You'll become their sacrifice
Dm
Right or wrong
                   \mathsf{Em}
Am
Can't hold onto the fear that I'm lost without you
If I can't feel, I'm not mine,
I'm not real
```
